We make buying office products easy.

Staples Advantage

What makes Eway.ca the best way?

Eway.ca is all about saving time so that you can get on with your other tasks. It takes just a few clicks to log on and place your order. Consider some of these Eway.ca advantages:

- **Ease-of-Use.** Eway.ca is user-friendly and simple to navigate. You can view and order the products you want in seconds.
- **Selection.** No more relying on paper catalogues that are outdated. Eway.ca offers the latest products in office essentials and computer supplies, bringing you more than 20,000 items to choose from. If you do not see the item you are searching for, just click on our 'Specials' option and let us source the product for you.
- **Always current.** You order in real-time with availability in real-time. Should the item you require be temporarily unavailable, we offer equivalent alternatives to help you complete your projects on time. We also offer links to related items helping to ensure you do not miss any items you require to finish your project.
- **Best search.** Want something in particular? Eway.ca's search function is exceptional, helping you get in, find what you need and get out as quickly as possible.
- **Bilingual.** Eway.ca is available in both English and French.
- **Secure.** Staples Advantage takes great care in ensuring your corporate information is secure. We provide SSL Internet security and password protection for each user. Ask us for full security details.
- **No cost.**
- **Auto confirmation of orders.** Within minutes of sending your order, you will receive an email confirming your order details.
- **Order history.** Quickly and easily review your past purchases. Eway.ca allows you to check the status of submitted orders and download invoice details.

Here's what customers like you are saying about Eway.ca:

"I can place an order anytime of the day or night and in 24 hours I have it at my door."

"I have my own templates and can easily order my supplies from them. My products are listed with prices so I know exactly what to order."

"I like the ease of ordering. Eway.ca allows the search function when you may not know an item number or different similar products are available."

"Eway.ca allows me to order quickly and easily without the use of my phone and I do not miss important calls coming into the office. It's wonderful."
